- <http://www.peninsulafixourferals.org>

St. Francis of Assisi Low-Cost Clinic 408.683.0866 San Martin, CA

- Tuesdays and Wednesdays only
- Neuters \$20 and Spays \$40
- Low-cost vaccinations and medical treatment also available
- Also participates in the Santa Clara County Low-Cost Spay/Neuter program

Santa Clara County Low Cost Spay/Neuter Program

The feral cat program is open to all residents of Santa Clara County.

- Residents of unincorporated county, along with participating cities of Sunnyvale and Milpitas, pay a \$10 co-payment
- Residents of non-participating cities pay a higher co-payment of \$25 for the same services
- **Proof of residency is required**

Feral/wild cats - Co-payment includes surgery, vaccinations and an ear notch for identification purposes

- Notify the clinic in advance to make arrangements for feral/wild cats
- Must be contained in humane traps

The following programs are open to all residents of Santa Clara County:

- **Tame/owned cats** - County pays the first \$30 towards spay/neuter services, with reduced surgery rates
- **Dogs** - County pays the first \$60 towards spay/neuter services, with reduced surgery rates
- **Pit Bull type dogs** - New, limited "FREE" spay/neuter program for all males and any females under 6 months of age. County pays the first \$100 towards spay surgery for females over 6 months of age.

Please note that additional fees may be charged if the animal is in heat, nursing or pregnant. When deciding which clinic to use, inquire about their requirements and any possible additional fees.
